

TIMELINE for the systematic review of AALE PK-12 School Standards for accreditation 2023-24

October 10, 2023

- Board of Trustees initiates systematic review of AALE PK-12 School Standards; notice to be posted under Public Notices and Membership Notices on the AALE website (www.aale.org)

November 10, 2023 (with a December 12 deadline)

- requests for commentary on the AALE PK-12 School Standards are sent to relevant accredited members and site visitors who have participated in site evaluation reviews within the previous five (5) years (term “relevant” as used here means PK-12 school members and site visitors)

December 13-15, 2023

- staff collects all comments received and prepares a report for the Council of Scholars (Council)

January/February 2024

- Council reviews comments and prepares a final draft of proposed revisions

March 2024

- Council’s final draft of proposed revisions is sent to relevant accredited members and posted for public comment on the AALE website (www.aale.org) for a period of thirty (30) days (term “relevant” as used here means that changes affecting the PK-12 Standards will be sent to PK-12 school members)

[*tbd* for the June 2024 Board meeting]

- Executive Director forwards final draft of proposed revision(s) prepared by the Council and all member and public comments to the Board no later than fourteen (14) days prior to the scheduled meeting for final Board review and action
